

## LIFT FIRMLING FACE OIL

This oil is formulated with an overall anti-ageing active ingredient, LAKESIS, and an anti-drying oil, HYDRASALINOL.

LAKESIS: overall anti-ageing active ingredient, which reactivates the youth protein Klotho, for a redensifying effect of the dermis.

HYDRASALINOL : works on all the fronts of cutaneous dryness: urea protection, NMF, cellular cohesion, lipidic matrix.

### Product Aspect

Yellow dry oil

### Product Properties

Stable one month at 40°C and 55°C

### Operating Method

- In an appropriate container, add the raw materials and mix on reflection in deflocculating at 1000 rpm.
- Mix during approximately 10 minutes until obtaining a limpid solution.

| Phase | Raw Material / Trade name            | INCI Name  | %     |
|-------|--------------------------------------|--|-------|
| A     | ORGANIC DEODORIZED SESAME OIL (1)    | Sesamum Indicum Seed Oil   | 35,15 |
|       | ORGANIC VIRGIN SAFFLOWER OIL (1)     | Carthamus Tinctorius Seed Oil                                    | 8     |
|       | ORGANIC DEODORIZED SUNFLOWER OIL (1) | Helianthus Annuus Seed Oil                                       | 15    |
|       | CETIOL LC (2)                        | Coco-Caprylate/Capratae  | 41    |
|       | NATROX RO (3)                        | Helianthus Annuus Seed Oil & Rosmarinus Officinalis Leaf Extract | 0,2   |
|       | HYDRASALINOL (4)                     | Caprylic/Capric Triglyceride & Salicornia Herbacea               | 0,25  |
|       | LAKESIS (4)                          | Caprylic/Capric Triglyceride & Pistacia Lentiscus (Mastic) Gum   | 0,2   |
|       | WATERLILY FRAGRANCE R18717 (5)       | Fragrance  | 0,2   |
